(Unraveled Truths in a Pre-Gullah Community) ©

presented at the Original Gullah Festival

Join cultural interpreter and author Ron Daise to learn about Gullah Geechee culture, history, and beliefs. The resilience and dignity of Gullah Geechee people throughout systems of oppression are explored through narrated excerpts of Daise’s published contemporary fable in his Geechee Literature Series. Readings are juxtaposed to stanzas of “*We Wear the Mask*” by poet Paul Laurence Dunbar.
